MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management's views on the Company's Performance and outlook are discussed below:

Economic Outlook:

The global economies are facing a synchronized slowdown, resulting from a variety of factors affecting the world. The outbreak of coronavirus 2019 (COVID19) has globally disrupted people's lives, interrupted businesses and jeopardized decades of development progress. According to The World Economic Outlook (WEO) update, global economic growth has been downgraded to 2.4% in 2019, which is its slowest pace since the global financial crisis of 2008. The decline in growth is the outcome of rising trade tensions between large economies, rising uncertainty surrounding trade and geopolitical issues; along with individual macroeconomic problems such as low productivity growth in emerging economies and aging population in advanced economies. To add to the existing issues, the pandemic outbreak has worsened the economic environment. The crisis is the result of the needed containment measures that forced policymakers to take extreme steps in the form of huge fiscal stimuli to encourage economic activity. With considerable uncertainty around the world due to the pandemic, its macroeconomic fallout, and the associated impact on financial and commodity markets, the World Economic Outlook has estimated global growth to decline by 5.2% in 2020 before recovering by 4.2% in 2021. In China, the containment efforts such as quarantine and widespread restrictions on travel, have resulted in unplanned delays in restarting factories after the Lunar New Year holiday and sharp cutbacks in many service sector activities. With the existing slowdown visible across the globe, the pandemic is expected to have severe consequences on the world economy leading to lay-offs, reduction in capex by companies and delay in discretionary purchases. The economic activity in U.S. and Eurozone economies is expected to fall sharply as these economies undertake measures to contain the outbreak.

Indian Economy

The Indian economy decelerated sharply in the fourth quarter at 3.1%, lowest in almost 17 years, after growing at 4.1% in Q3 FY20. As per the Central Statistics Office (CSO), GDP growth for FY20 stood at an 11-year low of 4.2% lower than the government projection of 5.0% in both first and second advance estimates. The country's fiscal deficit worsened to 4.59% of GDP, much beyond the targeted 3.8% of GDP and expected to worsen further with the dip in tax collection and revenue shortage due to the subsequent effects of lockdown on the economy. The core sector contracted by a record 38% in April as the lockdown hit all eight infrastructure sectors. According to the CSO, country's factory output growth contracted to 0.7% in FY20, as against expansion of 3.8% in FY19. Consumer durables output, an indicator of urban demand, contracted by 8.4% in FY20, compared with a growth of 5.5% in FY19.

According to the Asian Development Bank, India's GDP growth is projected to contract by 4.0% in FY2021 before recovering sharply to 6.2% in FY2022, on the assumption of recovery from the pandemic in the second half of 2020. With the lockdown scenario, consumption and investments are expected to be severely impacted in the first quarter. The gross fixed capital formation is likely to decline with rising risk perception and uncertainty around the pandemic. RBI has cut the repo rate by 40 bps to 4.0% in May 2020, which is the lowest ever and rolled out a range of measures to preserve financial stability and counter the economic impact of COVID19.

FY20 inflation stood at 4.8%, below the RBI's upper target limit and is expected to fall further in the current year with declining crude prices and slump in domestic demand, making the rate cuts more favorable. Prices for some manufacturers are likely to increase with supply disruption and rupee depreciation. The country's exports of goods and services are expected to improve once the global economies recover from the shocks of the pandemic. While the long term outlook looks robust for the country, a prolonged COVID19 pandemic would push the global economy into deep recession and further slow Indian growth.

Industry Structure and Developments

This development is testimony to the reputation that Company has built for being a well-run, well-managed Company with strong fundamentals, high level of governance and ethics, motivated and capable employees led by a high calibre leadership team, a customer first orientation, attractive product portfolio marketed through a balanced distribution network and strong brand equity. The Company has qualitative employees which have contributed in overall output of the company. However, it is also true that we have not seen concomitant credit growth, which remained at its lowest level in many years. Thanks to lack of overall demand, capital investments by the corporate sector continued to remain sluggish. Despite favorable liquidity conditions and lower interest rates, banks have found it difficult to increase lending as they have struggled with large non-performing assets (NPAs) from their loan books.

Risk and Concerns

The very nature of the Company's business makes it susceptible to various kinds of risks. The Company encounters market risk, credit risk and operational risks in its daily business operations. The Company has framed a comprehensive Risk Management Manual which inter-alia lays down detailed process and policies in the various facets of risk management function. The risk management review framework provides complete oversight to various risk management practices and process. The framework and assessment remains dynamic and aligns with the continuing requirements and demands of the market. The Company has also implemented surveillance mechanism to deal with various trades related risks and adopted a surveillance policy in line with the regulatory requirements.

Internal Financial Control Systems and their adequacy:

Internal Control system and adequacy Internal Control measures and systems are established to ensure the correctness of the transactions and safe guarding of the assets. Thus, internal control is an integral component of risk management. The Internal control checks and internal audit programmers adopted by our Company plays an important role in the risk management feedback loop, in which the information generated in the internal control process is reported back to the Board and Management. The internal control systems are modified continuously to meet the dynamic change. Further the Audit Committee of the Board of Directors reviews the internal audit reports and the adequacy and effectiveness of internal controls.

AUDIT REPORT TO MEMBERS TO THE SHARE HOLDERS OF AMRAPALI FINCAP LIMITED

Report on the Financial Statements

Opinion:

We have audited the accompanying financial statements of **AMRAPALI FINCAP LIMITED**, which comprise the Balance Sheet as at **31st March, 2020**, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting standards prescribed under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, and its profit and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no Key Audit Matters Reportable as per SA 701 issued by ICAI.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon. These reports are expected to be made available to us after the date of our auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

Management's Responsibility for the Financial Statements

Management is responsible for the matters stated in section 134(5) of the Companies Act, 2013("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India including accounting standards referred to in section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements, or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE “B” TO AUDITOR’S REPORT**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the Act)**

We have audited the internal financial controls over financial reporting of **AMRAPALI FINCAP LIMITED** (the Company) as of 31st March, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statement.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

In accordance with the Accounting Standard – 16, exchange differences arising from foreign currency borrowings to the extent that they are regarded as adjustments to interest costs are recognized as Borrowing Costs, and are capitalized as a part of cost of such property, plants and equipments if they are directly attributable to their acquisition or charged to the Standalone Statement or Profit and Loss.

k) Related Party Disclosure :-

The Disclosures of Transaction with the related parties as defined in the related parties as defined in the Accounting Standard are given in notes of accounts.

l) Accounting for Leases :-

A lease is classified at the inception date as finance lease or an operating lease. A lease that transfers substantially all the risk and rewards incidental to the ownership to the Company is classified as a finance lease.

The Company as a lessee:

a) Operating Lease:- Rental payable under the operating lease are charged to the Standalone Statement of Profit and Loss on a Straight line basis over the term of the relevant lease.

b) Finance Lease:- Finance lease are capitalized at the commencement of the lease, at the lower of the fair value of the property or the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation. Lease payments are apportioned between finance charges and the reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against the income over the period of the lease.

The Company has not provided any of its assets on the basis of operating lease or finance lease to others.

m) Cashflow:-

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals of past or future cash receipts and payments. The cash flows from regular operating, investing and financing activities of the company are segregated.

n) Earnings Per Share :-

The Company reports the basic and diluted Earnings per Share (EPS) in accordance with Accounting Standard 20, "Earnings per Share". Basic EPS is computed by dividing the Net Profit or Loss attributable to the Equity Shareholders for the year by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the Net Profit or Loss attributable to the Equity Shareholders for the year by the weighted average number of Equity Shares outstanding during the year as adjusted for the effects of all potential Equity Shares, except where the results are Anti - Dilutive.

The weighted average number of Equity Shares outstanding during the period is adjusted for events such a Bonus Issue, Bonus elements in right issue, share splits, and reverse share split (consolidation of shares) that have changed the number of Equity Shares outstanding, without a corresponding change in resources.

o) Taxes on Income :-

1. Current Tax:-

Provision for current tax is made after taken into consideration benefits admissible under the provisions of the Income Tax Act, 1961.

2. Deferred Taxes:-

Deferred Income Tax is provided using the liability method on all temporary difference at the balance sheet date between the tax basis of assets and liabilities and their carrying amount for financial reporting purposes.

- I. Deferred Tax Assets are recognized for all deductible temporary differences to the extent that it is probable that taxable profit will be available in the future against which this items can be utilized.
- II. Deferred Tax Assets and liabilities are measured at the tax rates that are expected to apply to the period when the assets is realized or the liability is settled, based on tax rates (and the tax) that have been enacted or enacted subsequent to the balance sheet date.

p) Discontinuing Operations :-

During the year the company has not discontinued any of its operations.

q) Provisions Contingent liabilities and contingent assets:-

A provision is recognized if, as a result of a past event, the Company has a present legal obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as Contingent Liability.

A disclosure for a Contingent Liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Possible obligation that arises from the past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation is reported as Contingent Liability. In the rare cases, when a liability cannot be measured reliably, it is classified as Contingent Liability. The Company does not recognize a Contingent Liability but disclosed its existence in the standalone financial statements.

r) Event after Reporting Date:-

Where events occurring after the Balance Sheet date provide evidence of condition that existed at the end of reporting period, the impact of such events is adjusted within the standalone financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

All the events occurring after the Balance Sheet date up to the date of the approval of the standalone financial statement of the Company by the board of directors on **July 15,2020** have been considered, disclosed and adjusted, wherever applicable, as per the requirement of Accounting Standards.

s) Global Health Pandemic COVID - 19

The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant slow disturbance and slowdown of economic activity. The company has evaluated impact of this pandemic on its business operations and based on its review and current indicators for future economic conditions, there is no significant impact on its financial statements.
